Ms. Jackman,

It has been over an hour and again you have failed to respond. Since you have provided no other method to contact you, such as a phone number, and you have not provided the California Bar with a phone, fax, or even e-mail, it does indeed appear that you want to play games with service, at the very least by making yourself seemingly impossible to reach. I will not be drawn in.

I have concrete evidence that your rationale for your prior failure to respond is a lie. Be very careful with what you file in court. I will not hesitate to file for sanctions and/or report you to the Bar, and already have grounds to do so.

I do not agree to any of your proposals and reserve all rights.

Ms. Jackman,

Before I spend time drafting a response to your message, did you receive this e-mail?
